

# First Baptist Academy

**We are proud to announce the following awards for entries in the 2010 Regional Science Fairs.**

## **Alexander Tillman 6<sup>th</sup> Grade**

**Alex was presented as a 2010 Naval Science Award Recipient from the Office of Naval Research in Arlington, Virginia. This award was presented to Alexander for his entry in the Southern Appalachian Science and Engineering Fair for his science fair project in the category of Transportation.**

## **Mason Grooms 4<sup>th</sup> Grade**

**In regional competition at Tate's School of Discovery, Mason received the Benjamin Franklin Scientist Award for his science fair entry entitled "Flying High."**

## **Hayleigh Welch 5<sup>th</sup> Grade**

**Also from Tate's School of Discovery, Hayleigh received an award from one of the science fair sponsors for her project on saving water; she received the "Green Award."**

**Congratulations to all our winners!**
